ART BASEL ONLINE VIEWING ROOM

June 17 - 26, 2020

Perrotin is pleased to take part in the second edition of Art Basel's Online Viewing Room with a curated selection of works by artists from the gallery's program, including new works that will debut at the fair.

The gallery's presentation includes a selection of new paintings by Japanese artist **Izumi Kato**. Following major solo exhibitions at Casa Wabi in Mexico and Hara Museum of Contemporary Art in Japan, the artist currently has an exhibition at Red Brick Art Museum in Beijing, China, and will present concurrent exhibitions at Perrotin Paris and New York in September of this year.

Perrotin's Viewing Room presentation will debut new work on paper by **Claire Tabouret**, who has a current exhibition at Perrotin Seoul. Additionally, we will exhibit a series of works by **Takashi Murakami**, **Bharti Kher** as well as unveiling new compositions by both **Josh Sperling** and **Emily Mae Smith**. We are also happy to present works by painters **Georges Mathieu**, **Hans Hartung** who had a survey exhibition recently at the Musée d'Art Moderne in Paris and **Pierre Soulages** recently acclaimed in the Louvre on the occasion of his centenary.

Perrotin will also display new sculptures from **Daniel Arsham**'s latest series of fictional archaeology, which was presented in anticipation of Arsham's Carte Blanche exhibition at the Musée Guimet in Paris in Fall 2020, alongside sculptures by **Jean-Michel Othoniel** who will present a solo show at Perrotin Tokyo in September.

In addition, Perrotin will feature a selection of works by **Chen Fei**, **Johan Creten**, **Elmgreen & Dragset**, **Lionel Estève**, **Jens Fänge**, **Bernard Frize**, **Laurent Grasso**, **John Henderson**, **Thilo Heinzmann**, **Gregor Hildebrandt**, **JR**, **Klara Kristalova**, **Lee Bae**, **Julio Le Parc**, **Otani Workshop**, **Mr.**, **Barry McGee**, **Ni Youyu**, **Paola Pivi**, **Gabriel Rico**, **Matthew Ronay**, **Pieter Vermeersch** and **Xavier Veilhan** among others.
